A 3D rendering of a hexagonal lattice structure. The structure is composed of a grid of hexagonal cells, each with a dark gray gradient fill and white highlights along the edges. The perspective view shows the grid receding into the distance, creating a sense of depth. The overall appearance is clean and modern, with a focus on geometric shapes and light and shadow.

A large, stylized digital clock display showing the number 12:00. The digits are composed of white, illuminated segments against a dark blue background. The '1' and '2' are on the left, and the '0' and '0' are on the right, separated by a diagonal line.
